Enclosed please find the acknowledgement of the application that we received from the IRS dated June 2, 2006. We expect to receive comments from the IRS on the application by October 2006. ***Acknowledgement of Your Request***

We received your application for exemption from federal income tax. When communicating with us, please refer to the employer identification number and document locator number shown above.

***What Happens Next?***

Your application was entered into our computer system at our processing center in Covington, Kentucky, and has been sent to our Cincinnati office for initial review. We approve some applications based on this review. If this is the case, you will receive a letter stating that you are exempt from federal income tax.

If the initial review indicates that additional information or changes are necessary, your application will be assigned to an Exempt Organization Specialist who will call or write you. We assign applications in the order we receive them.

If the additional information indicates that you qualify for exemption, you will receive a letter stating that you are exempt from federal income tax. If you do not qualify for exemption, we will send you a letter telling you why we believe you do not qualify and will include a complete explanation of your appeal rights.

The IRS does not issue "tax exempt numbers" or "tax exempt certificates" for state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.
